BROWN LEAVES HONOLULU TOWN

Resigns as President of the
Commercial Club Previous
to Oriental Trip.

Edward C. Brown, president of the
Commercial Club, has tendered his resig-
nation to the board of governors and
that body will probably meet today to
consider it. Mr. Brown leaves next week
for the Orient where he will assume
his new duties as the manager of the
foreign department of the Dearborn

EDWARD C. BROWN.
Who leaves soon for the Orient.

Chemical Works, duties which may keep
him there for eight or twelve months,
but which in all events prevent him
from keeping a permanent home here.

Mr. Brown, who has for the last
twelve years been connected with the
local agency of the chemical company,
and who has been up to the time of his
transfer, its manager, came here in 1898

and with short trips away has remained
with the local branch since that time.
He returned a few weeks ago from the
Orient where he laid his plans for the
work that is again taking him from
these islands. During his last stay
there he established an agency in Man-
ila and in Japan and three in China.

He will have no regular headquarters
in the Orient but will establish them
either in Chicago or New York. This is,
with the exception of agencies estab-
lished in Cuba, the first time the big
firm with which he is connected has
branched out into the foreign trade and
he has the honor of being the first man-
ager of the newly created foreign de-
partment.

While in Chicago recently he gave an
address before the Association of Com-
merce on American trade in the Orient
and at that time he said:

"The Chinese like Americans better
than they do any other race. They
want to do business with us. All they
ask is a square deal, and the American
merchant has the preference every time.
With all this in our favor and a popu-
lation of 400,000,000 possible customers
eager to welcome us, it is disheartening
to find that there are just two repre-
sentative American corporations doing
business on a large scale in China. They
are the Standard Oil company and the
American Tobacco company."

Sorry to Leave.

"I am sorry to leave Honolulu," said
Mr. Brown yesterday, "for I have a
number of friends and associations here
which it will be hard to break loose
from."

It is considered extremely probable
that Fred W. Macfarlane will be elected
as president of the Commercial Club
vice its retiring head, and the board of
governors which is empowered by the
by-laws to fill the vacancies occurring
through the present circumstances will
fill the office of vice president which
the appointment of Macfarlane would
leave open.

Frank Boyer will succeed Mr. Brown
in charge of the local agency of the
Dearborn company.

LED REVOLT AGAINST UNCLE JOE CANNON

Chauncey Dewey, who arrived last
week from Chicago, accompanied by
Mrs. Dewey, is one of the Windy City's
wealthy citizens and a politician. He
is the man who broke the "favorite
son" phylax at the last convention
when Uncle Joe Cannon was given a
bump. He was the one who led the
revolt against Cannonism, or at least
too much of it.

The General Demand

of the Well-Informed of the World has
always been for a simple, pleasant and
efficient liquid laxative remedy of known
value; a laxative which physicians could
sanction for family use because its com-
ponent parts are known to them to be
wholesome and truly beneficial in effect,
acceptable to the system and gentle, yet
prompt, in action.

In supplying that demand with its ex-
cellent combination of Syrup of Figs and
Elixir of Senna, the California Fig Syrup
Co. proceeds along ethical lines and relies
on the merits of the laxative for its remark-
able success.

That is one of many reasons why
Syrup of Figs and Elixir of Senna is given
the preference by the Well-Informed.
To get its beneficial effects always buy
the genuine—manufactured by the Cal-
ifornia Fig Syrup Co., only, and for sale
by all leading druggists. Price fifty cents
per bottle.

IS FREAR TO SUCCEED DOLE?

Strong Belief That Present
Federal Judge Will Shed
the Ermine Soon.

Judge Dole is planning to take a
long vacation soon and intends to go
to Europe for at least six months.
There is a rumor amounting in some
quarters to a belief that he will never
return to sit on the bench of the United
States District Court, but that he
will, after leaving Honolulu, tender
his resignation.

Nobody is anxious to see Judge Dole
resign. In fact, Hawaii would be per-
fectly satisfied if he were to preserve
his youth and retain the judgeship in-
definitely. But unfortunately this can
not be, and there is, of course, consid-
erable speculation as to what might
happen if he should resign.

The answer is "Walter F. Frear." It
is now fairly certain that Governor
Frear would not accept an appointment
to the second judgeship, but it is be-
lieved that he would not turn away his
head from an appointment to the first
judgeship. The position on the federal
bench is practically a life appointment
when the incumbent gives satisfaction,
as W. F. Frear would be sure to do,
while the governorship is a precarious
position dependent upon the favor of
Presidents. And although Governor
Frear recently made up his mind not
to resign for the present, it is not im-
probable that he is looking ahead to
the time when he can with profit to
himself and without injury to the Ter-
ritory, step out and into something
that might suit him better. It may
be once more Judge Frear instead of
Governor Frear.

HOLSTEIN SLATED FOR NATIONAL COMMITTEE

Political Gossip in Which the
Speaker, Buckland and
Andrews Figure.

Despite the fact that Second Federal
Judge Robertson is at sea concerning
his appointment and no one seems to
know just what is what regarding his
confirmation by the senate, the plans
for filling his place as national commit-
teeman of the Territory are going
ahead. At this time it seems probable
that Hon. H. L. Holstein, speaker of
the house of representatives, will be
selected, although there are other candi-
dates quietly in the field.

The Kohala statesman was in town
last week and the matter of the na-
tional committeeman was talked over.
There was some suggestion made that
he should move to Honolulu and become
party organizer, but he nipped the talk
in the bud by declaring that he was in
favor of Lorin Andrews for the posi-
tion. He did not say, however, that he
would decline nomination to the na-
tional committee.

Just where Editor Buckland gets off
is not settled. There are many who
desire to see him in Honolulu when
the fighting begins and there is some
talk that in the various changes under
way and probable in governmental cir-
cles a place will be found for the sta-
tistician of the breakwater and that the
Big Island leaders who were preparing
to resign in a body if Buckland were
turned down by the executive commit-
tee of the party will have a chance to
withdraw their resignations.

It is generally agreed now that if
Andrews will assume the task of party
organizer, the Republican party cannot
lose. The fact that he is a native son
and has been here since his boyhood
days, while the working conditions
of the party in the fourth and fifth are
for him.

This evening (Wednesday) Rebe-
kah Lodge No. 2, L. O. O. F., will give a card
party in Odd Fellows hall to which ten
cents admission will be charged. A
cordial invitation to Rebekahs and their
friends is extended.
